fences to imprison, no papers to clutter, only shrubs, trees, and wide clean walks to beautify.

The green of the spacious lawns and the white of the gleaming pillars and buildings blend beautifully to form the famous "Green and White."

To the boys on the athletic field . . . to the gals who cheered . . . to the guy you sat next to in Senior Problems . . . to that girl in the play . . . to the couples who found time for romance . . . to you, Joe and Jane Hunter, the spirit of Canoga and American youth . . . this annual is dedicated.

Fore

FROM THE HUNTERS who put their heads together to bring you this **Utopian** comes the wish that it may recall some of the many joys which you have experienced here "under the big top" during the past few years. For you "veterans of the circus," you seniors who have been here for the past three or four years, we sincerely hope that this **Utopian** will live up to your greatest expectations for a worthwhile annual.

Over two hundred graduates of 1948 will join with us in saying that it has indeed been a privilege to receive a well-balanced education here at Canoga Park High. If you are wondering why we are likening ourselves to a circus, just realize that there are a few things in the world more technical, more in need of organization, timing, cooperation, and general all around efficiency than a lively circus. Just as a circus offers a diversified program on each of its many rings and platforms, so must a modern public school make an effort to meet the diverse needs and interests of those boys and girls who attend from the many different walks of life. Combined with a well-rounded scholastic curriculum, the social activities at Canoga have served to make us feel as part of a big "three ring circus." There has rarely been a dull moment. Conditions have usually been such that we might readily have imagined ourselves at a "Barnum and Bailey special," with not merely one group providing interest and entertainment, but many.

You have relished the "shows" put on by not only the many "performers" with real talent on our campus but also those well-known, well-liked "clowns" with another talent of their own. We truly hope that the leaves or "attractions" of this yearbook will remind you of pleasures you've enjoyed, such as the Van Nuys-Canoga Park football games, the "gang" at lunch-time and brunch, the assemblies in Monroe Hall, the school dances in the gym, and the "finale" or graduation. And lastly, we hope that through the years you will be blessed with a warm, if nostalgic, feeling as you thumb through the pages of your 1948 **Utopian.**

CANOGA PARK, CALIF.

VIERLING KERSEY
SUPERINTENDENT OF SCHOOLS

ARTHUR G. ANDRESEN
PRINCIPAL

January 29, 1948

Dear Faculty and Student Body of Canoga Park High:

In these perilous times of prejudice, hatred, intolerance, and ignorance, the Student Body and Alumni are grateful for the democratic education which Canoga Park has afforded us.

Realizing that our education is the foundation for a secure future, we can enter the business and social world with confidence.

Through our Student Government we have learned the quality of good leadership. Our social activities have given us poise in our contact with others. Athletics have played a major part in developing us physically as well as morally. Our curricular activities, which include art, science, music, history, mathematics, languages, and practical arts, plus the afore-mentioned, have provided us with the well-rounded background required for a successful and a happy life.

An important contributing factor to a free nation is knowledge. To remain the free and the democratic nation we are today, requires a thorough and complete type of education. We must consider ourselves truly fortunate to have attended a school where such an education has been put into effect.

Yours truly,

Richard Reilly

THE MENAGERIE

Mr. Arthur G. Andresen, Principal

Ring

Your editors have chosen to name us as the "Ring Masters" of this "Big Top." We accept this title with gratification but also with the realization that although "Ring Masters" are a necessary and essential part of the organization, they can serve only to coordinate and to direct the activities. The real contributions must be made by those who do the actual daily "training" and by the performers themselves.

STANDING:

Mr. Larsh,
Mrs. Rose,
Mr. Andresen

SEATED:

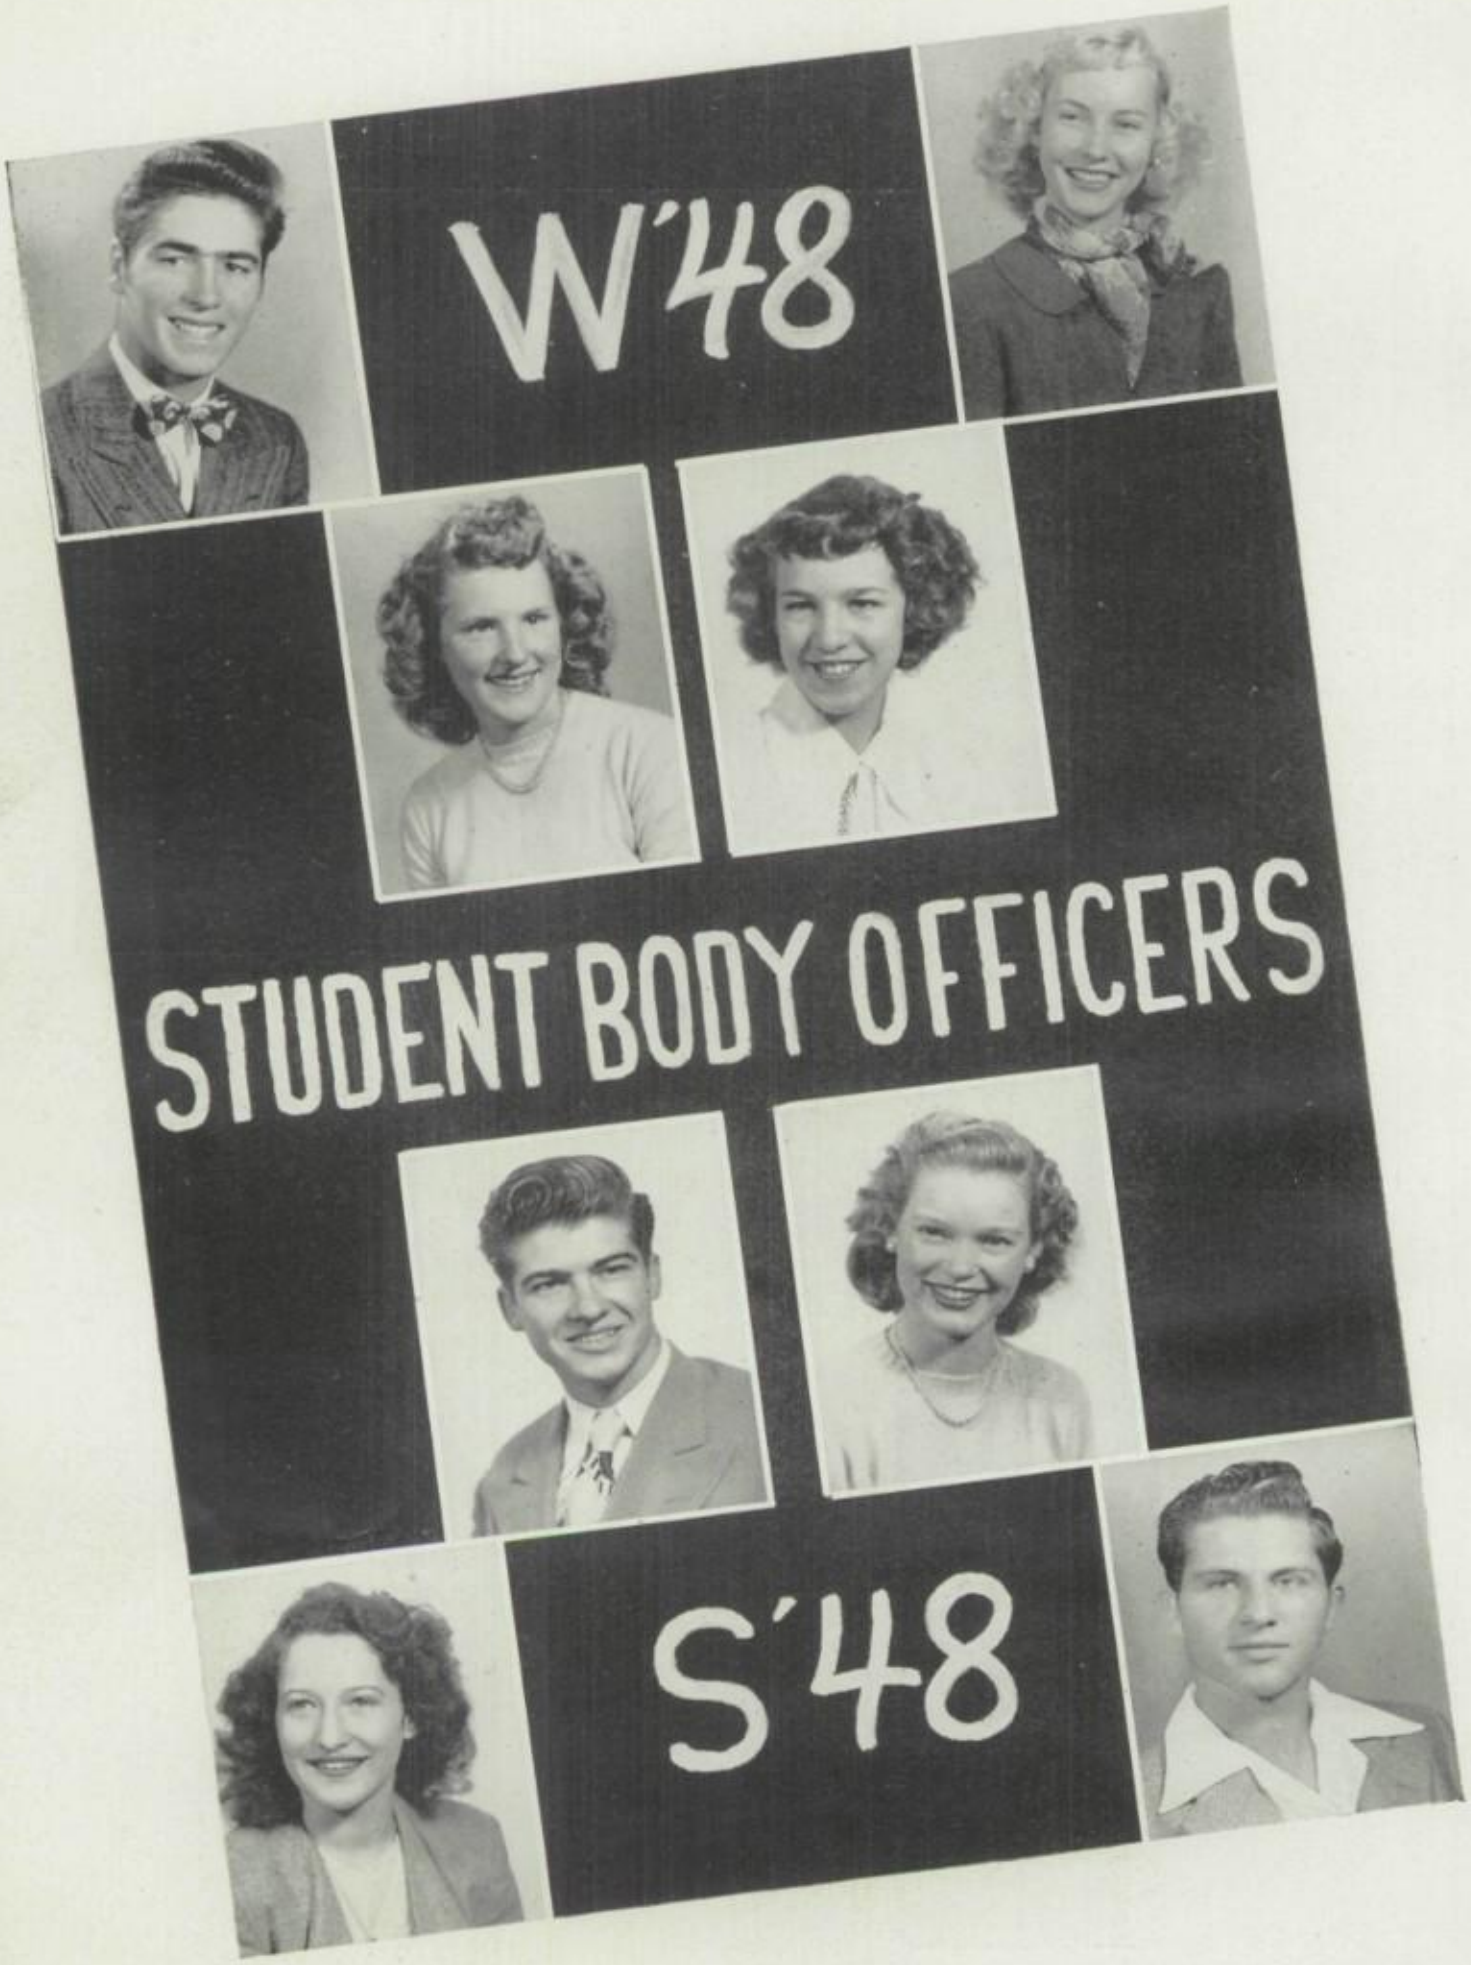
Gloria Stark,
Carl Vince,
Gertie Pekarovich,
Jim M-Kelvie.

The "Ring Masters" and "Circus Wheels" get together to discuss problems ranging from the colossal acts to the kids crawling under the circus tent.

Masters

Mrs. Margaret Rose
Girls' Vice-Principal

Mr. Walter E. Larsh
Boys' Vice-Principal



Richard Reilly, President; Nance Harvey, Vice-President; Carol Courtney, Secretary; Imogene Lawrence, Assistant Secretary.

Jim McKelvie, President; Gloria Stark, Vice-President; Gertie Pekarovich, Secretary; Carl Vince, Treasurer.

Just as the wheels of the circus trains support their loads, tenaciously holding to the road in safely conveying the big show on its many journeys, so our student body "big wheels," with earnest and sincere effort, represent our school, leading us through our many performances.

For the "taming of the wild people" who like "excitement" we have a student body cabinet composed of elected officers and appointed committee chairmen who have authority to recommend judicial review by the cabinet of any student charged with a specific offense. The officers meet each day with their faculty advisor and discuss the many problems on the "circus grounds" and carry out their respective duties, such as public relations, welfare, safety, scholarship, social, and athletic events.

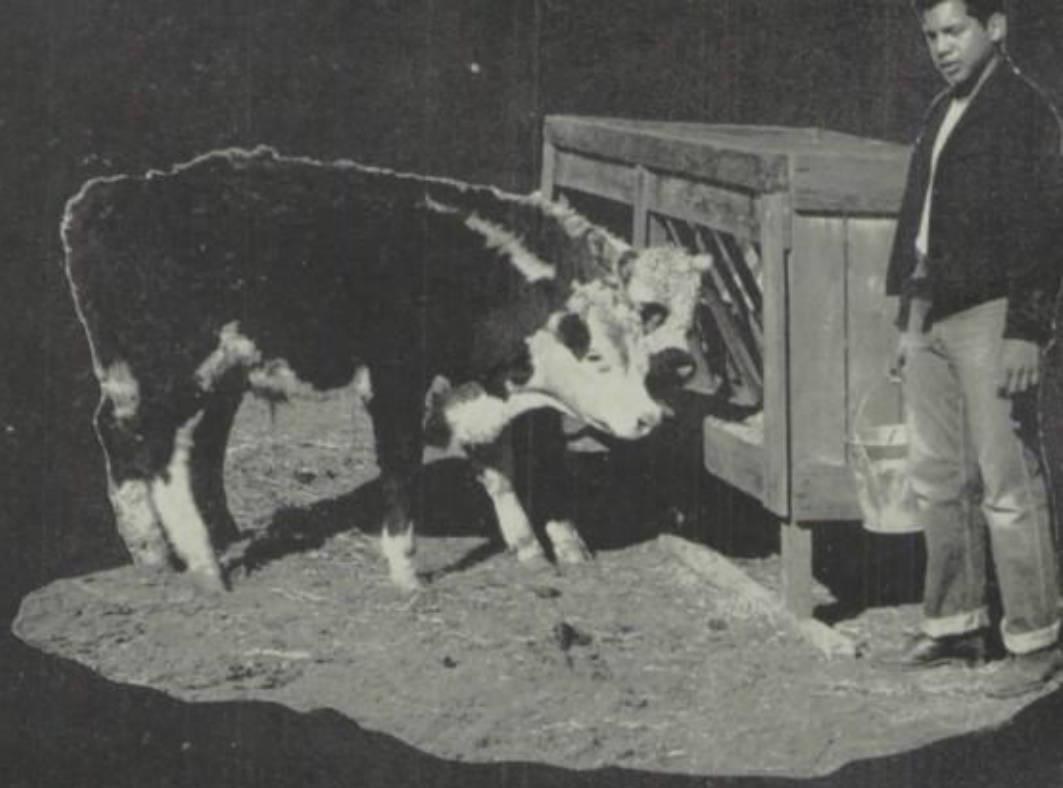
SIDE SHOWS



Girls' League

Each year the Girls' League, which is as vital to Canoga's girls as the main attraction to a circus, attempts to plan new and original activities for its members.

"Big and Little Sister" parties honoring new students, and assemblies with a variety of interesting subjects including fashion shows, skits, dance recitals, and panel discussions were presented as a part of the many functions planned during the past year. The "Sock Hop" and "Springtime Swirl," vice-versa dances, both sponsored by the Girls' League, proved very successful, with record-breaking attendance both times.

The primary objective of the Girls' League is to develop "friendliness, service, loyalty, and fidelity" in the girls of Canoga Park High, and with these ideals in mind it will always be successful in retaining the spirit and respect that the Girls' League has earned through the years.

Activities for the semester included presentation of the Hancock Ensemble and a trip to Exposition Park.

At graduation, a pupil who has been on Vibgyor six semesters receives a gold seal on his diploma and a Sealbearer pin. Four years of recommended grades entitles him to a Torchbearer pin.

The purpose of the Hi-Y, a branch of the Y.M.C.A., is to create and extend high standards of Christian character throughout the schools and communities. Briefly stated, the platform of Hi-Y is high scholarship and clean living.

First formed by Mr. G. Walter Monroe, Canoga Park High School's first principal, the club was taken over in 1930 by Mr. Ansel Breniman who relinquished the helm to Mr. Jeheil Davis during the war.

This year Mr. Breniman is sponsor of the Canoga Park Hi-Y, while Mr. James More heads the Reseda group.

Last semester, for service work the girls made stuffed animals for children's hospitals and worked with the Hi-Y on the wishing well for the March of Dimes. This semester they are making scrapbooks and place cards for the veterans' hospitals. Social activities such as roller skating, picnics, and parties make up the fun meetings.

That the best requirement for a journalist is a good pair of legs is learned early by reporters of the **Hunters' Call**, Canoga's voice of the Student Body, which strives to bring its readers all the circus news hot from the griddle.

For the past twelve years, Canoga's journalism students have produced a bi-weekly edition of the official student newspaper.

For its efforts to cover all important news, give Student Body recognition, and present student opinion, the Hunters' Call has been "Oscared" with six awards from National Scholastic Press Association, and another first place award last year from Quill and Scroll, a national journalistic honorary society.

Striving for even higher journalistic standards, this year's staff and the four page editors have worked hard to make the **Hunters' Call** truly representative of the Student Body of Canoga Park High.

"Christmas Carol"

Bringing to mind the meaning of Christmas as the season of "good will to all men," the cast and Miss Mary Watkins are due thanks for a memorable performance of "A Christmas Carol" with Skippy Plumstead superbly portraying the well known "Scrooge."

Scrooge (Skippy Plumstead) finds that bringing happiness to Mr. and Mrs. Cratchit (Guy de Wolfe and Joan Haas) and son Tiny Tim and his sister (Earl McFarland and Karen Morley) is the way to bring true happiness to himself.

Scrooge's nephew (Bob Forbes) bids his Uncle a cheerful though somewhat hasty farewell.

"And Came the Spring"

Ringing down the curtain of this year's drama season, an excellent cast, headed by Delores Yrigoyen portraying "Midge" Hartman, a typical teenager in the midst of her first love affair, captures the spirit of a typical American family in the throes of spring fever. In his inimitable way, Skippy Plumstead kept the audience laughing in his role as Elliot, a studious boy who had carefully planned his life in order that the Hartman family might leave something to posterity.

Other leading performers were John Traller, as Mr. Hartman; Diane Doran as the understanding mother, Mrs. Hartman; Sally Lee and Rosemary Nofziger as Virginia; and Drew Roddy alternating with Clyde Hendricks as Buzz Lindsay, an easy-going, good-natured boy friend.

Congratulations to Miss Mary Watkins and the cast for the biggest and brightest production of the year.

League Champs

DICK REILLY

Dick Reilly, second string All Valley blocking back, deserves a lot of credit. Paving the way for Hunter ball carriers with his clean hard blocking, and snagging those deadly passes from Bill Bowers, Dick played an important part in winning the Valley Championship for Canoga.

DAVE McMULLEN and JIM McKELVIE

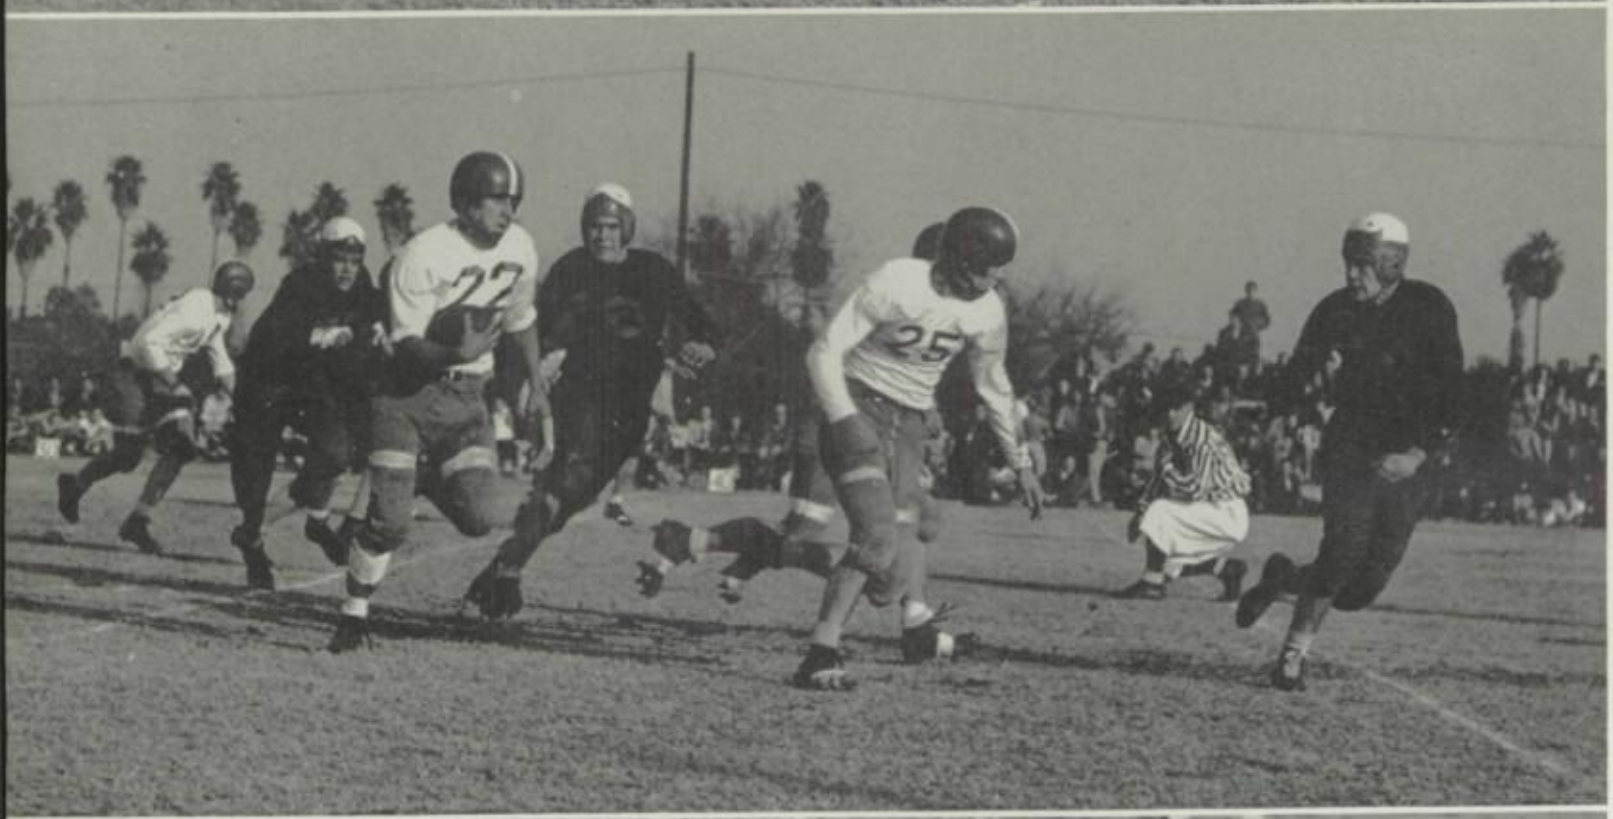
The large and small of Canoga's Varsity: Jim McKelvie, third string All Valley, 6' 1", 181 lbs., and little Dave McMullen, 5' 3", 140 lbs., one of the toughest centers in the valley.

BILL BOWERS

Little needs to be said about this terrific triple threat star. All Valley player of the year, all city player of the year and first team All-American are the honors "Boom-Boom" collected for himself. He is among the greatest athletes ever to come out of the Valley.

McCaffrey goes for five as the Hunters drop their first league game to the North Hollywood Huskies 31-13. The powerful Blue and Gray line was too much for the Hunter forwards and the Huskie backs tore off huge chunks of yardage almost at will. Canoga's scores came on two passes from Bill Bowers to Dick Reilly and Jack Reaves. McCaffrey, Bell, and Seletos shone brightly for the winners.

Ira Chase skirts San Fer nando's end as Canoga romps over the Tiger 20-0. New plays and su perior blocking and tackl ing by the Hunters were the highlights of the game Bill Bowers had a hand in all three Hunter touch downs, running for two and passing to Leonard Esau for the other. Bowers even kicked two extra points to put a finishing touch to the victory. Ira Chase, Dave McMullen and Dick Reilly also played outstanding ball



Canoga crushes Verdu go Hills 46-0 in the fina game at Monroe Field. Bil Bowers wound up his prep career by tallying five scores, one a 92 yarder in the final moments of the game after Verdugo had failed to make seven or four tries from the one yard line. The Hunter line play was quite effective in stopping Verdugo's of fensive, and the Green and White looked at their best.

McElhenny steals one from Esau as the powerfu Washington Generals rolled over Canoga 27-0 in the final period of the Milk Bowl game. The Gen erals, led by the running of Hugh McElhenny and quarterbacked by Bob Cameron, were superior in every department. Bowers trick shoulder went out early in the period and thus nullified almost any chance that Canoga would have had.

Bill Bowers runs off and aves a stumbling pack Van Nuys Wolves in the g Game of the year at an Nuys. Canoga Park anded the Wolves their st setback of the season defeating them 31-13 a convincing victory. he Crimson grid machine as considered by some be the greatest ever to me out of Van Nuys and as rated a 40 point fav- ite over the Hunters by rtue of their 28-0 win er North Hollywood and anoga's 31-13 loss at the nds of the Huskies. But e entire Hunter squad se to great heights and ractically drove the olves off the field. Bill owers had the best day his brilliant prep foot- alling career, running for o scores and passing for ree others. It was one of e most amazing one- an efforts seen in some me. But it cannot be said at it was all Bowers as e rest of the team never ayed better and certain- deserved just as much edit. The only consola- on Van Nuys received as the honor of starting nd ending the scoring. his victory gave Canoga good chance to retain e title.

Dick Reilly is brought to arth by two Eagles as anoga edges Eagle Rock 2-7 in a very unimpres- ve victory. The Hunters idn't seem to have much park and their plays ouldn't click. Even ough the Green and hite were deep in Eagle rritory many times they cked the punch to drive ver for the score. The ores were made on a allop by Jack Reaves and pass from Bowers to eilly.

After trying hard for two years, Coach Bill McGinnis was finally rewarded when his mighty Bees copped the Valley championship and Canoga made a clean sweep of the Varsity and Bee titles. In the practice games the Hunter lightweights came out even, dropping one to Gardena 21-0, and taking one from Venice 20-0. During the league season, however, the Canoga Bees had a clean slate, winning five straight. On Monroe Field the Van Nuys midgets were beaten 14-0 by the Hunters, thus giving the title to the Green and White. In the wind-up game of the season, in what was supposed to be a close tilt, McGinnis' boys thoroughly beat the Verdugo Dons 33-0. The outstanding players of the season were Emmett Darough, Red Gray, Jack Ganssle, and Russ Michaels. Captain Marvin Goodrow, Ronny Benham, and Bernard Richter also had much to do with the winning of the title for Canoga. Probably this was one of the best teams ever to come out of the West Valley and we hope there will be more of them.

Record

The Hunter musclemen were not strong as a team but had some top notch individuals. Eagle Rock and San Fernando were the only teams beaten by the Green and White. Jim McPolin broke the school record in the rope climb in the good time of 6.6 seconds. Kinya Tatsumi, Canoga's high bar performer took a second place in the Valley Finals and went to the City Finals only to take sixth, one place out of the running. Al Wilborn placed second in tumbling in the Valley Finals also. This sport is one which requires great endurance and strength as well as coordination and we hope that more boys will become interested in it. Each year Canoga has advanced a little more in gymnastics and we hope someday to take the championship.

Canoga Varsity hurdlers James Lindsay, Ray Ferren, Bernard Richter, and Bob Cantrell. Ferren took seconds in both the low and high hurdles in the Valley Finals.

Larry Severance, John Robertson, Sam Barnese, Robert Zuniga, Rodney Ermine, and Hector Amescua. Severance placed third in the 660 yard run of the Valley Finals while Amescua placed in the low hurdles and high jump.

Ira Chase, broad jumping. Ira placed third in the Varsity 100 yard dash and won the 440 yard run of the All-Valley meet.

Track Snaps

Varsity tracksters Ray Ferren and Ira Chase, Co-Captains of the team, Buddy Chivvis, Gus Cordova, and Coach Charley Cromwell.

Although Canoga's thin clads didn't take the title, there were some standouts who did quite well in Valley competition. Co-captain Ray Ferren placed high up in the Valley Finals in the hurdles and set two school records, doing the highs in 14.9 seconds and the lows in 20.1. At the time this goes to press he will be competing in the City Finals. Ira Chase also did well in the Valley and set a new school record of 52.2 seconds in the 440 yard dash and tied the school record in the 100 yard dash at 10.1 seconds. Jack Davenport, the mighty Cee stalwart set a Valley record of 20' 4" in the broadjump and a new school record in the 180 yard dash at 19.6 seconds. The varsity relay team placed second in the Valley Finals.

Bill Frye, Class "C" pole vaulter, placed fourth in the Valley Finals.

Fred Fink, Class "C" speedster hands the baton to teammate Jack Davenport. Fink placed second in the 100 yard dash of the Valley Finals.

Coaches

Coaches William McGinnis, Joe Hollinger, Charles Cromwell, and Ansel Breniman.

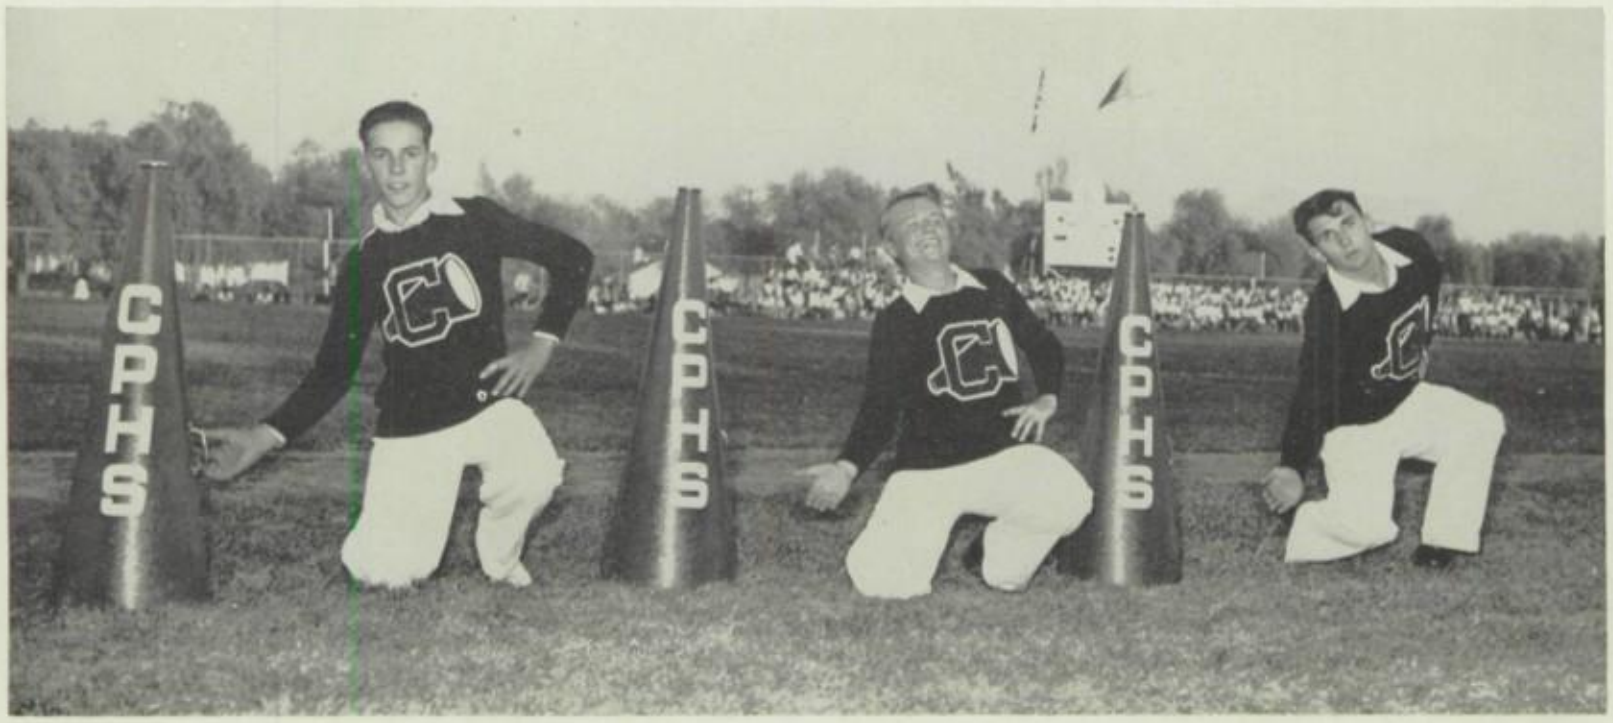
Canoga's coaching staff really did a fine job this year. Although not all of the Hunter athletic teams came out on top, they all had that Hunter fight and spirit which makes a good team.

Two new coaches at Canoga, Joe Hollinger and Charley Cromwell, are excellent men and should turn out winning teams in the future. Coach Hollinger came from Belmont after a brilliant coaching career at the "Hill." With little material he molded a basketball team which, although winning few games, was always in there fighting. Mr. Hollinger also coached Varsity baseball. In both sports he tried to give the younger players lots of experience so that his future teams would improve. Coach Cromwell really worked the Varsity Football and Track teams, getting them in top physical shape. His tracksters were too few in number to rate with the top teams of the Valley, but his individual stars showed up fine.

Coach Bill McGinnis molded the "B" Footballers into a great championship team. Although his gymnasitcs team didn't show up as well because of lack of depth, he is looking forward to a promising aggregation next year.

Coach Ansel Breniman came through again with a masterful coaching job as his boys captured another Valley League football crown. This is the fourth championship team Coach Breniman has had in five years. He deserves a lot of credit as he has to work with some of the lightest teams in the city.

Cheerleaders



Robert Morrison, Skippy Plumsted, and Bob Clark held up Hunter spirit in the stands, leading the "rambunctious" rooters through Canoga's famous yells. These fellows originated the Green and White Pigeon Squad.
